

## mpower<sup>®</sup> ORV Chase Light Kit

Keep your truck seen with this rear facing light kit that provides greater safety and visibility to trailing vehicles with its dual color function—white for cargo illumination, amber to cut through dust.

Mounts seamlessly behind the existing third brake light and does not interfere with factory camera

Plug and play installation – no holes drilled or modifications needed

Shatterproof silicone lens with high UV and thermal stability—won't fade or yellow over time

White cargo illuminating light is packed with 2,832 lumens per assembly

Dust cutting amber light is packed with 2,160 lumens per assembly and can be set to steady burn or flashing

**Fits Ford F-150 including Raptor (2014 – 2023) and Super Duty including Tremor (2017 – 2023)**

**Includes:**

(2) mpower Fascia 4x2 lights  
(1) Third brake light bezel  
Installation accessories

**MSRP \$656.99**

**RTL-ETCL40FFB1**
